

ZetaLube 821 All Fleet Engine Oil

Description

To cope with the harsh operating conditions of most commercial vehicles, ZetaLube 821 All Fleet Engine Oil is formulated with modern additives and special grade of base oil to protect and smoothen most diesel engines and gasoline engines of commercial vehicles and passenger cars. Meeting the demanding requirements of almost all manufacturers' specifications, ZetaLube 821 is the motor oil that every driver and all fleet managers or operators shall keep for cost-effective maintenance.

821 All Fleet Engine Oil

Features and Benefits

- Reduces fuel consumption by improving engine efficiency.
- Protects engines from carbon residues, varnish, and sludge due to excellent oxidation stability and corrosion protection.
- Extends oil-change interval and service life of light and heavy-duty vehicles.

manufacturers.

• Meets almost all car manufacturers' requirements.

Recommended Applications

- For lubrication of all gasoline car engines and heavy-duty diesel car engines requiring API SJ/CH-4 or earlier specification.
- For fleet of commercial vehicles such as buses, trucks, taxi, etc.
- Always check the owner's manual for basic maintenance requirements for the car engine such as API requirement, recommended oil-change interval/mileage, etc.

Typical Data

TEST	ASTM TEST METHOD	SAE 15W40
Appearance	Visual	Amber
Density, kg/L @ 15°C	D-1298	0.888
Viscosity, cSt @ 40°C	D-445	107.3
@ 100°C	D-445	14.2
Viscosity Index	D-2270	136
Flash Point, COC, °C	D-92	222
Pour Point °C	D-97	-27
Borderline Pumping Pass, °C	D-3829	-20
Total Base Number, mg KOH/g	D-2896	11.8
Carbon Residue, Conradson, %	D-524	0.04
Foaming Characteristics All Sequences, After Settling	D-892	Nil
